Letter to Prospective Members – 2013

You are cordially invited to become a member of Monroe Country Club (**MCC**) in Monroe, New York. MCC is collectively owned by its "A" members and the goal of the Club is to provide a rewarding golf experience for members and guests and a pleasant social experience for all.

WHY JOIN MONROE COUNTRY CLUB?

You enjoy playing golf. You enjoy a challenge. You would like little to no waiting time to tee off. You like a pleasing social atmosphere... Then come join us! Take a look at our membership package, and even drop by and view our facilities. We would like to welcome you to the pleasant, social golfing experience at **Monroe Country Club**.

THE PRICE IS RIGHT – NEW MEMBERSHIP DRIVE PACKAGES AVAILABLE (Former Members Excluded):

MCC has embarked on an aggressive plan to increase members through a special discounted membership package **for new members only**. **Single Class "A-2"** membership is only \$750 for the 1st year! This membership entitles you to play as many rounds of golf as you please. DUES AND BOND MUST BE PAID IN FULL BEFORE GOLF PRIVILEGES ARE EXTENDED.

Our golf season begins when the course is playable in the Spring, and continues into the fall until the weather is too cold for play.

From April through October, there are 65 weekend days and holidays. As a new member, if you play just once per weekend for all those days, your greens fees, as a Non-Member, would exceed the membership rate. As previously stated, the membership fee for New **A-2** members is only \$750, which allows you unlimited play any day of the week. REMEMBER, greens fees are included in the membership fee.

THE TIME IS RIGHT:

Prime play time is Saturdays, Sundays and holidays. This time has been reserved for MEMBERS ONLY UNTIL 12:00 PM.

Although the course is never really crowded, the idea is to restrict Non-Members from using the course during these hours of prime play, so that members of **MCC** can enjoy a sense of privacy during these hours and reduce the amount of crowding on the course.

RIDING CARTS AND GREENS FEES:

We have golf riding carts available for rental by golfers who prefer to ride rather than walk. However, we **DO NOT REQUIRE** golfers to ride carts. There are still many **MCC** golfers who prefer the exercise of walking. If you like to ride, members pay reduced rental rates.

SENIOR GOLFERS: In order to encourage our senior golfers to continue enjoying their membership at MCC there is a reduction in yearly fees for all Sr. "A" & "B" members who are age 65 or over.

GOLF ATTIRE:

Monroe Country Club has a dress code and requests that members and guests follow these guidelines: For men no gym type shorts, "cut-off shorts" or sleeveless shirts and for ladies no short-shorts or halter tops. Proper golf attire required at all times. (See page 8 – Course Rules)

GOLF ETIQUETTE:

Slow players should generally invite a faster following group to play-through if there are one or more open holes ahead. Also, in order to maintain the quality of our greens, you are requested to repair your ball marks and rake sand traps.

GUESTS:

Members that bring guests during prime play are requested to do so on an occasional rather than on a regular basis (individuals playing as guests are limited to 4 rounds during prime time per year). Also, any guest playing during prime time must play in the same foursome as the member-host. Guests should be registered in the Pro-shop prior to play.

Prime time is on weekends and holidays prior to 1:00 PM

ALCOHOLIC BEVERAGES:

The club requests no beer or liquor be taken on the course. Beverages are available in the Clubhouse and the deck area provides a pleasant location to view the course and socialize with friends.

OUR COURSE:

The **MCC** course is a nine-hole layout with regular tees generally being in different locations giving the back 9 holes a different look and feel from the front 9 layout. The course is challenging and not easy to beat as most low handicappers find out the first time they play. Thanks to the efforts of our Grounds Superintendent and Staff, the course is always in excellent condition.

FACILITIES:

The Club House contains full restaurant and bar facilities leased to and managed by "Birchwood Caterers".

PRO-SHOP:

The **MCC** Pro-shop carries commonly used golf supplies (balls, tees, gloves, shirts, hats, towels, etc.). The pro-shop can facilitate club repairs such as grips and shafts, as well as ordering of complete sets of clubs, bags, and shoes.

NO METAL PENETRATING SPIKES ARE ALLOWED:

In order to preserve the greens, all players are requested to wear soft spikes.

Monroe Country Club

63 Still Road Monroe, New York 10950

SOCIAL EVENTS:

The entertainment committee has prepared, for **MCC** members, a list of special events, including parties and socials. All social events have a modest fee.

GOLF TOURNAMENTS:

The tournament committee has a variety of golfing tournaments scheduled for the season. The outings are both competitive and fun and most are set up to allow high and low handicap golfers to compete equally against each other. The idea is to get members competing with other members with whom they might not regularly play.

OFFICIAL MGA HANDICAP:

MCC is a member of the **Metropolitan Golf Association (MGA)**, which prepares regular updates of the player's handicaps. After each round, members turn in their score. These scores are sent by computer to the MGA (Metropolitan Golf Association) office where the handicaps are computed, and a printout of member handicaps is prepared for the club. Each member receives an official MGA Handicap Card with updated handicaps. This service is provided to members of MCC for an annual fee of \$25. These handicaps can be used when visiting other clubs, and for local tournaments.

GOLF LOTTERY:

We have a weekend and holiday lottery for members. Just show up at a prescribed time (usually 8:00AM) and you will be teamed up with other members for a round of golf. This continues to be a success and provides an opportunity to play with other members with whom you might not regularly play and to play with others when you come to the course alone.

INITIATION BOND and INITIATION FEE:

All new Class "A" & "A-2" members and new "Family Memberships" are required to post a \$300 non-interest-bearing Initiation Bond and all new "F" & "F-2" members are required to post a \$200 bond. The Bond is **refundable** at full face value upon termination of membership, provided the Bond has been held for one full year and all accounts are paid in full (**except for "Special New Member Packages", whereby the new member bond is refundable only upon completion of 3 years membership**).

ADDITIONAL FINANCIAL SUPPORT:

The Club needs to be financially supported by its members and guests for ongoing operations and future improvement. This support comes in a variety of ways such as encouraging new members to join club sponsored events, purchasing chance tickets (\$50 in 2013) for a chance to win a 2014 membership and any additional assessments for operations and improvement as determined by the Board of Governors. To support the Chance Drive, each "A" member will be billed \$50, which will be posted on the June, 30th, 2013 billing statement. Drawing for the grand and additional prizes will take place at the Annual Meeting in November 2013.

MONTHLY LOTTERY DRAWING:

Similar to supporting the Club financially as outlined above, there will be a monthly lottery drawing from April through November– the same months as the Monthly Tab. Each "A", "A-1", & "A-2" members will be billed \$20 for the above listed months and posted to their club bill. Applicable members will be notified in Spring 2013 and have a choice to opt out of this fundraising drive.
